Dear Mr. Campbell:

**Proposed ALAMEDA STREET
ANNEXATION NO. 5-A to the City
of Lynwood**

At the meeting held September 16, 1964, the County Boundary Commission reviewed the boundary description and map submitted by Mr. D. J. MacArthur with his letter filed August 28 for the proposed annexation of territory to the City of Lynwood.

The boundaries submitted conform with record lines; and no island of corridor of unincorporated territory is created by the boundaries. This proposed annexation overlaps the boundaries of proposed Alameda Street Annexation No. 6 to the City of Lynwood as modified and approved by the Local Agency Formation Commission on July 22, 1964.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,
